SUBMISSION OF FORMAL DRAWINGS

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In the Notice of Allowability mailed May 26, 2005, the Office indicated that corrected drawings must be submitted in light of objections raised in the draftsman's patent drawing review. In response, Applicant submits new figures 1 through 5, and each of the draftsman's objections has been addressed. Notably, these drawings are substantially identical to those submitted for prosecution, particularly with respect to elements numbered in the drawings and discussed in the application. It is respectfully requested that these drawings be reviewed and that they be printed with the issuance of the subject application.

Respectfully submitted,

Mark L. Weber
